Why: To hold a peaceful march to raise awareness and to remember the death and murder of George Floyd, and to stand up and speak out against any forms of racism.

What: The students of the Black Student Unions march united with the City of Marysville, The Tulalip Tribes, Marysville and Tulalip Police Departments, Marysville Fire District and Tulalip Bay Fire, Marysville School District, students, families, community members, faith-based communities, Black Lives Matter, and all who are against any forms of racism. We are against any crimes directed at local businesses and are coming together in unity through this march to begin the healing process.
