Secretary-Treasurer Report:

Secretary-Treasurer Murry started out thanking everyone for being in attendance on this evening.

She also thanked everyone that came out to the Solidarity Night at the Silvertips and especially everyone that volunteered and contributed to making it a successful night! Secretary-Treasurer Murry said she didn't have numbers for what we raised for our hardship fund yet but will report back next month with that info.

She also touched on the upcoming Race & Labor Workshop that is March 26th. The Education Committee has been working hard with the state labor council to create a great workshop. She also reported that they have their next meeting to finalize everything on Monday, February 28th at 6pm on Zoom...

Lastly, she announced that she will be working on getting a standing monthly date and time for our Education, COPE and Labor Advisory committees. Please be looking for a survey from her in the next few weeks.
