(Feb. 4th, 2022) Tickets can be purchased via a link on our website at: www.Snolabor.org. She also announced an opportunity for anyone who is attending that would like to ride the Fanboni at the end of the first period, to email her at charlotte@snolabor.org. Volunteers are also still needed to help sell raffle tickets and Pucks for the Chuck A Puck events at the game.

She updated the delegation on our Hardship Fund and Amazon Smiles. We did receive a small contribution for 3rd quarter of 2021 and are very hopeful for a much larger donation in the 1st quarter of 2022 for 4th quarter of 2021. She also mentioned that we will receive a contribution for our help with selling raffle tickets and pucks at the hockey game as well.

Charlotte also reported on the results of our online food drive, which was \$550.

She also wanted to thank everyone for their continued support in the council thru the pandemic. With it being yearend, she reported that we came out ahead by \$11,273.

Interim Secretary-Treasurer Murry also wanted to remind everyone that the next Education Meeting is Feb. 2 at 6pm.

She also wanted to “Thank” everyone that has been on the COPE Committee working on our first Legislative Priorities Agenda for this session. It was sent out last week and is on our website for viewing as well.

Lastly, she reported on the Broadband Action Team for Snohomish County that she is participating in. It was announced this week that Snohomish County will be awarded a grant to expand broadband along SR 530 between Arlington & Darrington. This is not only a win for that community but a win for labor with Ziplly Fiber being the partner on this project. It was reported that they hope to have the work done by December 2024.
